Graduate Assistant for Student Identity & Engagement

OVERVIEW

Our Mission

The mission of TCU Student Identity & Engagement (SIE) is to promote diversity, inclusiveness, and cultural awareness throughout the TCU community. The department provides support, guidance, and encouragement to TCU students, faculty and staff throughout a variety of services including cultural programming, mentoring, diversity training, and academic and community involvement.

Graduate Assistants in Student Identity & Engagement (SIE) will gain experiences in program planning/execution, assessment, advising, critical thinking and problem solving. It is essential for this Graduate Assistant to have a strong demonstrated commitment to diversity, equity and inclusion, and possess an understanding of issues facing historically underrepresented student populations. The position will work closely with the SIE staff to plan and execute cultural programming, design and implement training that supports the diversity, equity, inclusion and belonging needs of all students. They will assist in supervising undergraduate student leaders, and participate in assessment and program evaluation.
